
OK...
MILLIONS OF BILLIONS OF YEARS AGO THE WORLD WAS A BIG MESS AND YOU COULDN'T TELL ANYTHING APART
I CAN
IS THERE ANYONE WHO CAN START FOR US?
TODAY WE'RE GOING TO TALK ABOUT THE ORIGIN OF SPECIES...
AFTER THESE MOUNTAINS I'LL GET TO THE LIVING STUFF...
LET'S GET SOME LIGHT IN HERE
SO GOD CAME ALONG AND STARTED TO DIVIDE THINGS UP
HEAVEN
EARTH
W-WAIT, YOU'RE NOT DONE YET
GO AHEAD AND BE FRUITFUL AND MULTIPLY AS SOON AS YOU'VE BEEN FINISHED
STAND STILL FOR- N, NOW LOOK WHAT YOU MADE ME DO...
THIS! THIS IS IT! NOW THIS IS A MASTER-PIECE. WELL, I WAS THE MODEL, AFTER ALL...
HMM... NOT BAD BUT CAN'T SEEM TO MAKE WHAT I REALLY WANT TO...
THE ROPE STARTED MOVING...
HERE I'M GOING TO USE THIS ROPE TO KEEP YOU STILL.

BWA HA HA! HA! HA HA!
HEHEH
HYUK HYUK HYUK
YEAH RIGHT
Y-YOU MEAN THIS? THIS ISN'T MOLD! THIS IS HAIR! I'VE BEEN GROWING IT FOR THREE DAYS NOW!
HEH, TEACH... I THINK YOU MIGHT HAVE SOME, UH...
SOME MOLD GROWING ON YOUR HEAD!
JUST WHAT IS SO FUNNY?!
I THINK IT REALLY WAS MOLD, SIR
EITHER WAY I BROUGHT IT HERE FOR US TO USE IN TODAY'S LESSON. TAKE A LOOK
IT WIPED OFF...
LOOK, IF IT WAS MOLD I COULD WIPE IT OFF, BUT...

PROFESSOR MAYBE YOU SHOULD LAY OFF THE FRUIT OF SIN
CLASS IS OVER! EVERYBODY TAKE A NAP! GOOD NIGHT!
THE JOURNEY WAS LONG, AND NOT EASY
YEAH OK
IT WAS BROUGHT HERE IN SOMETHING CALLED
A COSMOS ZONE
OUR WORLD IS DOOMED! SOON WILL BE THE END OF ALL LIFE ON THIS PLANET!
W-WHERE ARE WE?
TOO LATE FOR THAT. YOUR DAUGHTER AND MY SON ARE READY TO LAUNCH!
YOU AGREED TO IT YOURSELF!
ACE, LET ME HAVE MY DAUGHTER BACK, PLEASE!
BRUNO WHAT DO YOU WANT?
ACE WAIT!!

WHAT A PERV WHA!
I'M GOING TO SPEND SOME EXTRA TIME ON YOU
THE OLD MAKE A WOMAN FROM A RIB GOTCHA
WON'T DO TO HAVE YOU ALL BY YOURSELF. LET'S JUST TAKE A RIB HERE
SURE GOT A BIG MOUTH ON THIS ONE
YOU MIGHT BE A GOOD LEADER FOR THE OTHER ANIMALS HERE
WOW SOUNDS LIKE A BRIGHT IDEA
HEY NEWCOMERS. COME OVER HERE AND CHAT
HEH. WE'LL SEE HOW LONG THAT LASTS
NOW I'M GOING TO WANT YOU TO WATCH OVER ALL THE OTHER ANIMALS ON THE EARTH THINK YOU CAN DO IT?
WHAT'S THE PROBLEM? YOU TRYING TO SAY YOU'RE AN ATHEIST? DON'T BELIEVE IN GOD? IS THAT IT?
I WASN'T ASKING FOR A RETELLING OF GENESIS
I'M JUST THIS IS SCIENCE CLASS AND
YEAH IT'S THE STORY OF CREATION
NOW JUST WAIT A SECOND THIS IS STARTING TO SOUND LIKE THE BIBLE
LIFE WAS BROUGHT HERE FROM ANOTHER PLANET!
GO ON
THE TRUTH IS, LIFE ON EARTH DIDN'T EVEN START ON EARTH
OH?
PROFESSOR I KNOW ABOUT THE ORIGIN OF SPECIES
SEEMS LIKE YOU'VE GOT A CONFIDENT SMIRK THERE

BLAST OFF!!
ACE...!
THOSE TWO ARE THE LAST SURVIVORS OF OUR SPECIES. ALL OUR HOPE RESTS IN THEM!
PLEASE LET HER OFF... YOU HAVE TO!
SHOULD'VE SAID SO EARLIER. TIME FOR TAKEOFF
I DID. I AGREED BACK THEN. BUT I WAS WRONG. MY DAUGHTER NEEDS TO BE HERE WITH ME!
WHAT ?!
MY DAUGHTER HAS A VERY WEAK HEART. I DON'T KNOW HOW LONG SHE'LL LIVE
ACE... I'VE BEEN HIDING THE TRUTH. I WANTED TO SAVE MY DAUGHTER, BUT I WAS WRONG
NO!!
BUT THE ROCKET HAS ALREADY BEGAN ITS JOURNEY INTO SPACE... WITH ADAM AND EVE ON BOARD.
EVE! EVE! WHAT'S WRONG!? YOUR HEART? EVE!!
EVE, WE'LL FIND A PLANET WITH AIR SOON ENOUGH. I KNOW WE WILL.
LET'S KEEP TRYING, ADAM.
THE TWO SET OFF TO FIND ANOTHER PLANET TO LIVE. FIVE YEARS PASSED, THEN TEN...

EVE'S PASSING CAME SO SUDDENLY. IT WAS HARD FOR ADAM TO RECOVER FROM THE SHOCK.
EVE... DON'T DIE ON ME! DON'T LEAVE ME ALONE...
HOLD ON EVE!!
EVE DON'T EVE...!!
THIS... THIS IS...!!!
HM?
I DON'T HAVE LONG LEFT MYSELF.
50 YEARS PASSED. ADAM GREW OLD AND GRAY, BUT EVE NEVER AGED A DAY
BILLIONS OF YEARS FROM NOW, HUMANS WILL EXIST ONCE MORE!
I MAY DIE BUT EXISTENCE WILL GO ON!
BUT LOOK AT THIS METAL. WE'VE HAD BACTERIA HERE WITH US THIS WHOLE TIME!
EVE... HERE. TAKE A LOOK. WE THOUGHT WE WERE THE ONLY ONES ON THIS SHIP.
THERE MUST BE BACTERIA HERE!
THIS IRON'S BEING OXIDIZED!
RIGHT. UMM...
JUST WHERE DID THE PEOPLE FROM THAT PLANET COME FROM, HUH?
AND WHY'S THAT?!
THAT STORY'S STUPID.
THAT'S THE COSMOS ZONE?
AND MADE IT THEIR HOME.
AND SO... THAT BACTERIA FELL ON THE EARTH

NOT TO MENTION I THINK YOUR SPACESHIP WOULD HAVE HAD TROUBLE WITH SOME OF THE ULTRAVIOLET RAYS HERE AND THERE IN SPACE.
LET ME ASK YOU A QUESTION WHICH CAME FIRST THE CHICKEN, OR THE EGG?
CHICKEN NO... THE EGG NO UMM...
THEN HOW'D LIFE ON THAT OTHER PLANET START?
THEY CAME FROM LIFE FROM ANOTHER PLANET!
ENOUGH, YOU TWO YOU START THAT ARGUMENT AND YOU'LL NEVER STOP.
LET'S TALK ABOUT THE THEORIES OF A RUSSIAN SCIENTIST NAMED ALEXANDER OPARIN.
IT'S A CERTAIN TYPE OF HYDRO-CARBON WHICH MEANS, IT'S ORGANIC MATTER
THIS HERE IS METHANE GAS
THIS IS HIS IDEA OF THE BEGINNING OF THE EARTH WATCH YOUR STEP.
NOTICE THE PARTICLES OF WATER HERE AND THERE.
THIS IS WHAT PROTEIN WOULD LOOK LIKE UP VERY CLOSE.
AND THAT PROTEIN GOT SWEPT INTO THE OCEAN
EVENTUALLY, SOMETHING CAME ABOUT CALLED PROTEIN.
THESE HYDROCARBONS GRADUALLY BREW MORE COMPLEX OVER A VERY LONG PERIOD OF TIME.

EXACTLY IT WAS A GRADUAL SHIFT FROM ORGANIC MATTER TO LIFE
SO THERE WAS NO SUDDEN BIRTH OF LIVING THINGS
THIS IS HOW THE ANIMATE WAS CREATED FROM THE INANIMATE.
THIS WATER THEN STARTED TO ABSORB THE PROTEIN AROUND IT, AND BECAME LARGER.
THAT CLAY UNDERNEATH US SAVED ME. THE ROCK JUST SQUISHED ME INTO IT.
UWAH!! WATCH OUT!!
SOME DISCOVERIES ARE MADE FROM TIME TO TIME OF GRAPHITE OR MAGNETITE ON ROCK WALLS.
OF COURSE, DUE TO THE SIZE OF ORGANISMS AT THIS TIME, THERE ARE NO FOSSILS LEFT TO ACCOUNT FOR.
CLASS DISMISSED!
PROFESSOR WE MIGHT HAVE MADE A BIG DISCOVERY.
THESE ARE BELIEVED TO HAVE BEEN A PRODUCT OF ORGANISMS FROM THIS ERA
